Top Ten Programming Highlights Day-by-Day

Sunday is KIDS' DAY!!!

Check out these great kids-oriented programs:

12:30 **Nickelodeon Presents AnimAction!**—Just imagine: Teams of 10 kids break off and create their own 8 to 10 second animated film in this 3-hour workshop brought to us by **Nickelodeon**. Famed the world over, **AnimAction** provides kids with the tools and the teaching to create a short animated film, and see the final product, all in the same workshop! Attendance is limited to 100 children, on a first-come basis. The kids will be divided into teams of 8-10 and will create their own movies wrapped around Comic-Con's theme of Giant Robots and Dinosaurs! Finished films will be edited, with music added and shown at the end of the event This is a great hands-on workshop for the kids, all part of our special Kids' Day Programming at Comic-Con 2000! *Room 16A/B*
